The Executives

ExecutiveLeather

The Exclusive Case made of High-Quality Leather

An fashionable business case for highest demands. The ExecutiveLeather is made of high-quality leather and guarantees a grand entrance with or without a Notebook.
The Notebook compartment has an optimal padding and is covered from the top, so that the Notebook connectors are protected. The front compartment has an integrated workstation with pockets for mobile phone, pens and busi-ness cards as well as small pockets for mobile accessories. Documents are well-placed in an extra compartment, power supply units are stored in a sepa-rate cable bag. The custom-designed leather handle from DICOTA provides for the best carrying comfort possible.
